

About Reinke Gray Wealth Management

Reinke Gray Wealth Management investors receive the benefits of three experienced financial advisors and decades of advising clients. The firm's advisors helped establish the SDSEO Investment Trust in 1993 and have been providing financial services and advice to SDSEO members since that time. The Reinke Gray Wealth Management team is committed to helping each member reach his or her financial goals. It is a partnership that works for you.

Reinke Gray Wealth Management is a full-service investment firm, offering complete financial planning services and a broad range of worthwhile investment opportunities. For more information, please contact the firm via telephone (1-800-562-4015 or 605-224-5959) or via email at reinke.gray@investmentcenters.com.

The Reinke Gray Wealth Management Mission

Reinke Gray Wealth Management prefers to view its clients as friends and neighbors, and the firm's mission is to provide the best personalized service to each of its clients. This includes offering candid advice and the chance to develop long-term personal relationships, so that the firm can provide effective advice over the years as your financial and investment needs change.

South Dakota State Employees Organization

Investment Trust

REINKE GRAY

WEALTH MANAGEMENT

Members of the South Dakota State Employees Organization enjoy a unique opportunity courtesy of the SDSEO/Reinke Gray Wealth Management partnership: the SDSEO Investment Trust. The SDSEO and Reinke Gray Wealth Management proudly offer this quality investment program to the SDSEO member/investor who seeks professional money management and sound financial advice.

The SDSEO Investment Trust, which began in 1993, allows the SDSEO member to contribute to his or her trust account via payroll deduction, giving the member that much less to be concerned about. In addition, because the trust long ago exceeded its highest break point, the SDSEO Investment Trust investor will never see a sales charge, giving the member even more to invest.

The SDSEO Investment Trust: another way the SDSEO works only for you!

Additional Trust Features

- You maintain complete control over your account. This includes withdrawal privileges at your discretion.
- You choose your own contribution level (\$25 is the minimum monthly investment).
- You have access to Reinke Gray Wealth Management financial professionals who can help you make sound, solid investment decisions.

Investments Offered

The capital management company selected to partner with the SDSEO and Reinke Gray Wealth Management is American Funds, a firm with over 80 years of history, and one that manages over \$250 billion. Via the American Funds partnership, the SDSEO Investment Trust investor can access over 30 mutual funds.

Invest for You!

While South Dakota offers retirement and savings opportunities to its employees, the opportunity for accessing those funds without penalty is limited until the employee retires. However, investments in the SDSEO Investment Trust are accessed on your terms, not the terms of the South Dakota Retirement System.

What are your future financial needs and goals? Do you need funds for educating your children? A new vehicle? Improvements to your home or property? Your retirement? A much-needed vacation? Regardless of your needs and goals, the SDSEO Investment Trust is an effective, proven tool for building wealth, especially over the long-term.

Enroll Today!

Enrolling in the SDSEO Investment Trust is easy. If you're an SDSEO member, simply call Reinke Gray Wealth Management via telephone (1-800-562-4015 or 605-224-5959) or via email at reinke.gray@investmentcenters.com. The Reinke Gray Wealth Management financial professionals will send you enrollment information, account applications, a payroll-deduction authorization form, and information about American Funds. If you're not an SDSEO member, you can still call or email for information, but you'll have to join the SDSEO before you can take advantage of the SDSEO Investment Trust.
