

Dear SDSEO Member:

The legislative session has started well for you. Overall, the tone about state government employees is pretty good. We haven't had any negative legislation to fight and have good legislation to support.

I've attached the pre-session preview with this email as I had an email snafu and it didn't go out to everyone. It has compensation proposal info and a bunch of news links.

Keep the faith and keep up the fight.

To help out with recruiting, I've attached SDSEO recruitment/info docs. (For the Investment Trust brochure, the Reinke Gray email contact is <u>bettejo@reinkegray.com</u>. They have changed their email address.)

Lets' add a couple dozen new members in the next couple weeks. Spread the good word.

Make sure to let me know if you experience any problems at all as a state employee. Our Facebook: <u>https://www.facebook.com/my.SDSEO/</u>. Our Facebook gets lots of traffic and comments, so try to check it out. Our Twitter handle: @MySDSEO
